To enable taxpayers to efficiently address invoice corrections/amendments with their suppliers through the portal, a new communication process called the **Invoice Management System (IMS)** is being brought up at portal. This will also facilitate taxpayer in matching of their records/invoices vis a vis issued by their suppliers for availing the correct Input Tax Credit (ITC) and shall allow the recipient taxpayers to either accept or reject an invoice or to keep it pending in the system, which can be availed later

This facility shall be available to the taxpayer from 1st October onwards on the GST portal. Please [click here](#) to read the complete advisory on IMS.
