

Advisory on “Initiating Drop Proceeding” by taxpayers

12/01/2023

Recently, a functionality of **Automated Drop Proceedings** of GSTINs suspended due to non-filing of returns has been implemented on the GST Portal. This functionality is for the taxpayers who have filed their pending 6 monthly or 2 Quarterly returns.

Such taxpayers are advised to revoke the suspension once the due returns have been filed by clicking on “INITIATE DROP PROCEEDING” for which navigation is as follows:

“Services > User Services > View Notices and Orders > Initiate Drop Proceeding”

Thanking You,
Team GSTN
